FILL-A-BOOK BAG PROGRAM

Stocking up on calculators, book bags and notebooks may seem like an annual rite of autumn for students heading back to school, but as many parents know, equipping a child for school is not cheap and often times isn't possible.

The Durand Woman's Club is sponsoring the Fill-a-Book Bag program for children who attend school in Pepin County and whose families are in need of financial help. We would like to make sure that all school age children have the tools they need for success in the classroom. We will supply book bags and the materials required at the child's grade level for children of families in need..

If your family would like to participate in this program complete the application form and return it by **August 8, 2025** to:

Durand Woman's Club
W7048 County Rd D
Arkansaw, WI. 54721

All book bags will be ready for pick up on THURS. **August 21, 2025 from 8a.m. until noon,** just in time for school.
